Experience

Legal Specialist

02/2024 to Current
Saudi Arabia

Al Ramsat Contracting Company

- Protected commercial interests by reviewing, negotiating, and drafting commercial contracts and legal instruments, identifying key liability, compliance, and contractual risks while improving terms and safeguarding organizational objectives.
- Strengthened legal risk management through targeted research and interpretation of applicable laws, regulations, and precedents, providing timely guidance that supported business decisions and mitigated potential exposure.
- Advanced case and matter strategies by collaborating with internal legal teams and stakeholders to assess complex disputes and develop practical legal solutions, ensuring documentation meets regulatory and contractual requirements.
- Represented client interests in court proceedings, hearings, and negotiations as legal counsel, preparing pleadings, legal arguments, and documentation that facilitated effective dispute resolution while upholding procedural and compliance standards.

Lawyer | Trainee

07/2023 to 02/2024
Saudi Arabia

Al-Hurqan Legal Group

- Represented client interests in court proceedings, hearings, and negotiations as legal counsel, preparing pleadings, legal arguments, and documentation that facilitated effective dispute resolution while upholding procedural and compliance standards.
- Enhanced case management and matter preparedness by reviewing evidence, pleadings, procedural requirements, and case histories, identifying critical issues that strengthened positions before hearings.
- Guided clients on complex disputes by interpreting legislation, precedents, and contractual considerations, translating findings into practical recommendations and actionable courses of action.
- Maintained accuracy across litigation filings and documentation through meticulous quality reviews, ensuring procedural compliance and delivering professional support on assigned matters.

Lawyer | Trainee

06/2022 to 06/2023
Saudi Arabia

Law Office of Khaled Al Taher

- Represented clients before Saudi courts and advised on complex disputes by assessing relevant regulations and precedents, delivering practical recommendations aligned with their objectives.
- Strengthened case management and dispute strategies through comprehensive review of evidence and procedural requirements, identifying key issues to reinforce client positions.
- Drafted pleadings and lawsuits by researching statutes, case law, and judicial precedents, translating findings into well supported litigation filings and persuasive arguments for assigned matters.
- Enhanced matter quality through meticulous examination of supporting documentation, ensuring submissions were accurate and procedurally sound.
