Experience

Legal Specialist Al Ramsat Contracting Company	02/2024 to Current Saudi Arabia
• Protected commercial interests by reviewing, negotiating, and drafting contracts and legal instruments, identifying key liability, compliance, and contractual risks while improving terms and safeguarding organizational objectives. • Strengthened legal risk management through targeted research and interpretation of applicable laws, regulations, and precedents, providing timely guidance that supported business decisions and mitigated potential exposure. • Advanced client and matter strategies by collaborating with internal legal teams and stakeholders to assess complex issues and develop practical legal solutions, ensuring documentation meets regulatory and contractual requirements. • Advocated for client interests by representing them in court proceedings, hearings, and negotiations, preparing legal arguments and documentation that facilitated effective dispute resolution while upholding procedural and compliance standards.	
Lawyer Trainee Al-Hurqan Legal Group	07/2023 to 02/2024 Saudi Arabia
• Strengthened litigation strategies by drafting well-structured lawsuits and researching relevant precedents, developing persuasive arguments that supported effective representation and stronger case positioning. • Enhanced matter preparedness by reviewing evidence, pleadings, procedural requirements, and case histories, identifying critical issues that strengthened positions before hearings. • Guided clients on complex disputes by interpreting legislation, precedents, and contractual considerations, translating findings into practical recommendations and actionable courses of action. • Maintained accuracy across filings and documentation through meticulous quality reviews, ensuring procedural compliance and delivering professional support on assigned matters.	
Lawyer Trainee Lawyer Khaled Al Taher Office	06/2022 to 06/2023 Saudi Arabia
• Advised clients on complex disputes by assessing relevant regulations and precedents, delivering practical recommendations aligned with their objectives. • Strengthened dispute strategies through comprehensive review of evidence and procedural requirements, identifying key issues to reinforce client positions. • Prepared litigation filings by researching statutes, case law, and judicial precedents, translating findings into well-supported pleadings and persuasive arguments for assigned matters. • Enhanced matter quality through meticulous examination of supporting documentation, ensuring submissions were accurate and procedurally sound.
